

Transfusing Wisely Transfuser sagement

We've built a mobile app for the CSTM 2019 Conference! It has all the important information you'll need for the event, and features to enhance your event experience.

The first thing you'll need to do is download the app on the device you're bringing to the event. An invite has been sent to all attendees. Once you go into that email from your device just follow the instructions included!

If you did not receive an invite please email cstm1enore@gmail.com with your First and Last name as well as your preferred email address and a new invite will be sent to you shortly.
