

A career with Canadian Blood Services is an opportunity to make the most of your talents and experience and make a real difference in the lives of others.

POSITION: MEDICAL LABORATORY TECHNOLOGIST – DIAGNOSTIC SERVICES
TEMPORARY FULL TIME. (CURRENT to 2010-08-31)

LOCATION: EDMONTON- ALBERTA

POSTING DATE: 2010-02-03 to 2010-02-08

POSITION SUMMARY: Working primarily afternoon and evening shifts, the Medical Laboratory Technologist would be reporting directly to the Diagnostic Services Laboratory Supervisors. The Medical Laboratory Technologist is responsible for routine and complex serological testing including the running of automated equipment, blood component inventory management, and the preparation and quality control of reagents in the crossmatch/reference and prenatal areas of the laboratory in accordance with all provincial laboratory accreditation and regulatory requirements and Canadian Blood Services policies, procedures and practices.

RESPONSIBILITIES:

- Testing of crossmatch and prenatal specimens
- Performing serological investigations
- Maintaining inventory of blood components for distribution
- Ensuring appropriate reagent and laboratory supplies
- Maintaining equipment and laboratory areas

QUALIFICATIONS:

- Degree or Diploma in Medical Laboratory Technologist program
- Certified general registered technologist licensed with the Alberta College of Medical Laboratory Technologist (ACMLT) in all disciplines related to the job function
- Experience with current laboratory information systems is an asset
- Strong communication skills in English are essential
- Excellent customer service skills are essential
- Able to generalize and conceptualize ideas and information to utilize and adapt technical/administrative processes on the basis of a broad understanding of principles, practices and procedures
- Basic computer and keyboarding skills
- Able to follow work instructions precisely and work accurately with attention to detail

CLASSIFICATION: HSAA – Medical Laboratory Technologist II

We offer a competitive salary, and the opportunity to work with a group of dedicated professionals. Please send your cover letter and resume, quoting Competition 2010-012 no later than 2010-02-08 to human.resources.edm@blood.ca or alternately:

Canadian Blood Services
Human Resources
8249 114 Street
Edmonton, AB T6G 2R8
